

A military helicopter, possibly a Chinook, is positioned on a circular helipad. The helipad is surrounded by a low wall and a metal fence. In the background, there are green, rolling hills or mountains under a clear sky. The helicopter's rotors are blurred, suggesting it is either taking off or landing.

Cheung Chau Helipad Version 1.0

INSTALLATION GUIDE & DISCLAIMER

This FSX version includes a Cheung Chau Helipad only

This Scenery is for FSX only
